Additional forms needed to complete enrollment within 30 days of enrolling:

- Medical clearance form received
- Current immunization records for your child

Authorization for Medical Care and Off-Site Activities

I understand that I will be notified at once in case of accident or illness to my child, and I will make arrangements for medical care with the physicians or hospital of my choice. If I cannot be reached to make the necessary arrangements, or in a critical emergency requiring medical care, I hereby authorize Little Seedlings Academy to provide medical care.

Please initial below:

_____ I understand that enrolling my child secures his/her spot and binds me to pay associated fees.

_____ When my child is ill, I understand and agree that s/he may not be accepted for care or remain in care without refund of payment.

_____ I understand that I may request notice at initial enrollment or any time thereafter whether there are children currently enrolled in or attending for whom an immunization exemption has been filed.

_____ I understand that Little Seedlings Academy implements a behavior policy with all elementary students in our care that requires students to be kind and respectful to their peers, caregivers, and space. Failure to behave appropriately which in turn causes injury to any person(s) or destruction to property could result in dismissal from future dates of services without refund of payment.

_____ I understand that all payments are non-refundable. Late start/early release and district wide closing payments are due at time of registration.

_____ I understand that if using before and after care or early release or late start that my child is required to utilize the bus route assigned to the address of 2805 Dietrich Road. Wentzville School District will assign a bus number and stop to our school. LSA is not responsible for injuries or incidents occurring after students enter the bus driver's care and before the students exit the bus in the afternoon. It is our understanding that WSD prefers that each child only utilize one bus for the duration of the year. Please contact the bus depot with any questions.

_____ I understand that Little Seedlings Academy (LSA) functions under their own academic calendar. Typically that calendar aligns with the Wentzville School District (WSD) calendar with the exception of certain PD days where LSA will be open during a time where WSD will not have school. Before and aftercare will not be available if LSA is scheduled as closed. Late start and early release as well as full day closing care will only be available on the dates listed. LSA follows the same snow day procedures as WSD and will not provide care during inclement weather when the school district is closed.
